## Teacher Loan Cards Districts 102 & 105

LA GRANGE PUBLIC LIBRARY  
HODGKINS PUBLIC LIBRARY  
LA GRANGE PARK PUBLIC LIBRARY

# What are Teacher Cards?

## Especially for Teachers

Thanks to an agreement between the library and local school districts, we can now offer a Teacher Card.

A Teacher Card will allow you to check out materials which can be used to directly benefit your students and classroom. This card is NOT meant to be used as a personal library card. The materials and electronic resources are for in-class use only.

## More information...

- Materials will be checked out for 3 weeks. Items can be renewed.
- Teacher Cards are valid for one school year. You will need to reapply each year.
- Teacher Cards may also be used for interlibrary loan materials. Interlibrary loan materials will be checked out by the loan rule established by the lending library; this may be less than 3 weeks. Interlibrary loan material will be delivered to the public library where you received your card.
- The library can order multiple copies of a single title for classroom use.
- Teacher Cards can be used to access library research databases from your classroom.
- Please do not allow library materials to be removed from the classroom. This includes allowing materials to be taken home by students.
